DEDICATION PAGE

Assalamu'alaikum Warahmatullaahi Wabarakatuh

Praise is merely to Allah SWT for the gracious mercy and tremendous blessing that enables me to complete thesis entitled "Development of Self-Service Business Intelligence as Decision Support System for System Performance using Microsoft Business Intelligence Tools (Case Study: Microsoft's Adventure Works) timely as the report that the writer already finished the thesis project that is one of the main subject in International Program Department of Industrial Engineering Universitas Islam Indonesia.

During the thesis project and the process of writing this report the writer can't finish all of the work if there is no help from Allah SWT and also all the people that support the writer. The writer wants to say thank you to all the people that always giving their support, i.e.:

1. My beloved father, Syafi'i Afi Subekti, super mom, Purwatiningsih, my lovely grandmother, Suharti, and my brother, Pingki Syauqi Rahman for the prayer, support, and my motivation.

2. Muhammad Ridwan Andi Purnomo.,ST.,M.Sc., Ph.D as the supervisor and the lecturer that always teach me education, give directions, and also inspire me.

3. Prof. Dr. Ir. Hari Purnomo, M.T. as the dean of Faculty of Industrial Technology.

4. Nadia Zhafira, that always support each other since the 1st semester. Looking forward to the next journey.

5. Padmoboys that always come up with bunch of love since senior high school.

6. My friends from Industrial Engineering International Program 2014. Lucky to have you guys.

7. My ordinary team, ERP Berkarya.

8. For all the people that can't be mentioned here, May Allah Bless You.

The author realized that this report are full of imperfection and employ many shortcomings. Therefore, the author is looking forward to the reader's constructive criticism and suggestions for the sake of improving this report. Lastly, the author hopes that this thesis may be beneficial for all parties who read this.
