And all my true friends who are always there for me during ups and downs.

ACKNOWLEDGEMENT

All praises to Allah SWT for mercy and blessing so that I could accomplish this thesis as the requirement for the degree of *Sarjana Pendidikan*. This thesis would not have been possible without the support and help of several parties. Thus, here, I would like to express my gratitude to all of them for being part of this journey.

Firstly, I would like to express my special gratitude to my supervisor, Irma Windy Astuti S.S., M.Hum, for the supervision and continuous support. Her priceless help in form of feedbacks and recommendations have contributed to the success of this research. Further, I would like to owe my warmest gratitude to all of lecturers at PBI UII who have given me valuable lessons for the past four years.

Most importantly, my deep gratitude goes to my parents, Bapak Ahmad Djaelani and Ibu Niswah Hidayati, and also to my brothers and sister for their endless love, prayers, and support. This journey would not have been possible without them.

Additionally, sincere thanks to all of my beloved friends at PBI UII batch '14, PP. Sunan Pandanaran komplek 6, PP. Al-Munawwir Krapyak komplek R, and Forsikabanu Jogja. Thank you so much guys for the wonderful friendship and support. Also, to those who indirectly contributed in this thesis, your kindness means a lot to me. Thank you very much.

Last but not least, I realize that this thesis is still far from perfect. Hence, constructive criticism and recommendation are very needed for upcoming improvements.
