Assalamu 'alaikum Warahmatullahi Wabarakatuh.

Praise belongs to Allah SWT alone, for all His blessing and guidance in abundance to us all. Sholawat and always conveyed greetings to the Prophet Muhammad SAW who brings blessings to mankind.

Alhamdulillahirabbil'alamin, with His permission, I am being able to finish the undergraduate thesis entitled, **“The Perceived Risk of Fraud in Bitcoin: Comparison of Opinions Between Official Bodies and Twitter Users”**, as the partial fulfilment of the requirements to obtain the bachelor degree in Accounting Department, International Program, Faculty of Economics, Universitas Islam Indonesia.

In the process of writing this undergraduate thesis, I realized that I would not be able to finish this research without the support, prayers, and assistance from several important people who participated in the writing process. Therefore, I would like to express my gratitude to;

1. Allah SWT who always provides me with His blessing, kindness, mercy, and everything that I cannot be able to list one by one. Without His permission, I could not be able to finish this undergraduate thesis.
2. Prophet Muhammad SAW, for being a great figure for all mankind. May all blessing be upon you.
3. My family; Abah and Mama who always send their prayer for me, for

everything that I did, and I will do in the future. Mbak Ia, Mas Eden, and little Ghaisan, my nephew, one of the reasons why I had to finish my thesis as soon as possible, who always sent me his cute laugh (and cry) to cheer me up. Finally, the wait is over, *Alhamdulillah*.
