DEDICATIONS

Gratefully and thankfully, I dedicate this thesis to:

1. My beloved parents, for the prayers and motivation.
2. My beloved sister and my brothers for the prayers and motivation as my second parents in Yogyakarta.
3. All my best friends for the support and motivation as my second family in Yogyakarta.

ACKNOWLEDGEMENT

Alhamdulillah Rabbil ‘Aalamiin, All praise be to Allah SWT the Almighty and the most Merciful, and peace be upon the beloved final prophet Muhammad SAW. I thank to Allah SWT who has bestowed me a great blessing, strength, and willing that I could accomplish this thesis with hard work and prayers. I also believe that the completion of this thesis would not have been possible unless support of many people. Sincerely I really appreciate and address my gratitude especially to my beloved father, my beloved mother, my beloved sister, and my beloved brother.

My special gratitude goes to my ‘fairy godmother’ in academic as the supervisor, Miss Astri Hapsari, S.S, M.TESOL., who does not only guides, gives advice, supports, as well as criticizes me in a very qualified manner, but also motivates me throughly with her leadership that I could learn much from her. A great appreciation and thank will also go to: all of my lecturers at English Language Education Department of Universitas Islam Indonesia who had given me beneficial knowledge and had taught me lovingly and patiently. I also want to thankful to teacher and students for helping and supporting in collecting data and also coordinator of SMAN 1 Pakem for all the times who facilitated in this research.

Last but not least, special thanks to my crazy squads Ratri, Yulia, Iyek, Resti, Citra and Kak Nisa who always support me and also shared the happiness and sadness together. I thankful for my boarding mates Itus, Ina, Eren, Rare for

warm and cozy loves. Also my best friend since in the kindergarten until now Nur Hidayah for all supports and everythings. The author believes that this thesis is still far from perfect. Consequently, improvements are needed. Therefore, suggestions and recommendation are compulsory for the further improvements. Finally, the author expects this thesis can be beneficial for the readers.
