ACKNOWLEDGEMENT

Assalamu'alaikum Wr. Wb.

The researcher felt blessed and grateful to Allah SWT that had shown His grace and guidance, and the prophet Muhammad SAW as a great teacher in her life and as intercessors in the end Yaumul, Amin. The most spiritual power had lead the researcher to finish the thesis with an titled **“Islamic Banking Development and Economic Growth: A Case Study of Indonesia”**. This thesis aimed to fulfill the requirement to finish the undergraduate degree in Financing Study, Department of Management, Faculty of Economics, Universitas Islam Indonesia.

The preparation of this research was not separated from the encouragement and the support from several parties. In this occasion, the researcher wanted to give her sincere gratitude to the following:

1. My beloved father, Taswin and my lovely mother, Diniati. Both of your smile and prayer are the greatest power for me.
2. Dr. Drs. Dwiprptomomo Agus Harjito, M.Si as the dean of the Faculty of Economics, Universitas Islam Indonesia.
3. Zaenal Arifin Dr.,M.Si. as my content advisor who always took the time to provide guidance and input to the author, and also Nina Fitriana, MA as my language advisor who always took a hard time to correct my grammar.

4. My beloved siblings, Gita Ananda, Ratu Permata Indah, Ahmad Rajasa, and Dewa Putra Abbasy who always call me and giving me so many stories and laughters that entertained me.
5. Adib Wicaksono, who always support, listen, and answer all of my questions patiently. Thanks for becoming a good partner until now.
6. KOPMA FE UII and International Buddy, the student organizations that has been giving me place to develop my soft skills for all these years and people in it who always supporting and praying for me.

I hope this research can be beneficial to all parties and I apologize if there here mistakes were intentionally or unintentionally in this research.

Wassalamu'alaikum Wr. Wb.
