ACKNOWLEDGEMENTS

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

Alhamdulillah rabbil'alamin. All praise to Allah, the almighty God in the world, because of His blessing and mercy the researcher was able to finish the thesis as the partial fulfillment to get bachelor degree from the Undergraduate Program of Accounting Department, International Program, Faculty of Economics and Business, Universitas Islam Indonesia. And also, shalawat and salaam to Prophet Muhammad SAW, who indirectly has brought us from the darkness to the lightness.

I realize that this thesis would not have been possible without the persistent help, trust, and support from those people surrounding me. In this occasion, I would like to say thank you for:

For my beloved family, the most precious treasure I ever had with the endless supports in every aspects of my life since I was born until now so that I can finish my thesis. Thank you for being the best role model who shared and showed me about what life means and how to live in this millennial life. To my mother, Nugraheni Warsiningsih as the best women in this universe who is always there beside me, giving me support and strengths to face all this process until I finish my thesis. My father, Sigit Joko Budiyo who always shows his affections and his greatest encouragement. My brother and my sister, Budi Primananto and Destia Kusuma who always giving me support to finish my thesis as soon as possible. My parents, sorry for always making you worries because I have not finished my thesis yet and thank you for everything especially for trusting me to finish this. I could not be luckier and gratefully blessed to have the greatest family.

For Mr. Sigit Handoyo, S.E, M.Bus, as my content advisor whose advice for a guidance, teamwork, encouragement, and correction the thesis content and helped me to finish the thesis.

Mr, Willy Prasetya, S.Pd. M.A, as my language advisor who always help me correcting my extremely horrible grammar. Thank you for every recommendation and advice that you gave to me.
