ACKNOWLEDGEMENT

Assalamuallaikum Wr. Wb.,

*Alhamdulillah rabbil ‘aalamiin. All praises due to Allah SWT, The Lord of the world and hereafter, The Master and The Creator of every single thing in universe, for giving us uncountable blessings in our life. By Allah’s ridho too, this thesis could be done and finished. Peace and salutation be upon to the noble Prophet of Islam, Prophet Muhammad SAW (PBUH), who has guided us from the darkness to the brightness, from lack of knowledge to full of knowledge. Alhamdulillah this thesis is finally finished with title “**The Relationship between Financial Performance towards Environmental Disclosure and Environmental Performance in Hospitality Industries**”. I totally realize that this thesis would never be finished without unstoppable supports, advices, helps, and prays by people who know me. In this occasion, I would like to say thank you very much for:*

- 1. Allah Subhaanahu Wa Ta’aala who gives me hardness and easiness to makes me stronger, enlightenment and His ridho so I am able to finish my thesis.*
- 2. Nabiullah Muhammad SAW (PBUH), who guided me so I could keep moving on from what I already going through until now as a muslimah who still learning to become a better one.*
- 3. My parents, Mam and Pap who always pray for me, for my forgiveness, for my strong will so I can keep going through the hardness and easiness that Allah SWT gives me. My parents who know when they have to support me with their kindness or with their*

strictness so I could become a better person, a better muslimah. They always support me directly and indirectly no matter what. I will always obey all your command, Mam Pap.

- 4. My brother, my sister-in-law (but more like my own sister), and my lovely nephew Oksi Khalifi El-Ghanimi who always support me and give me advices until it is in annoying state but it is always in a good way. Acik sayang Oksi.*
- 5. My family in Balikpapan, Bontang, Bandung, Cilegon, and The Netherlands. Thank you and I love you, guys. Even those words could not cover up everything that all of you did to me.*
- 6. My best friends and my soul-sisters, Rezki Krisdayanti Saputri (KD) and Siti Nuraisyah (Icha) who know me so well and know how to react to every up and down moods and short temper that I have. I love you beyond this world, this life and after life. I hope we stay stronger than ever. Hayoo, siapa yang nikah duluan? Hahaha.*
- 7. My crazy friend, Meka Shafa Marwaningrum who accepts and admits my craziness and willing to be crazy together with me. You will always be my secret keeper, mate and I am yours. You are priceless, girl!*
- 8. My twin-sister friend, Ashilla Larasati / Lila. You know what I have been going through especially my struggle in The Netherlands. If I have another chance to go back in that time, I would do it again with you. Cheesy, but I love you!*
- 9. My joker friends, Ipit, Puput, and Anggik. I am always amazed with everything that you guys have done. Every laugh and jokes still make me smile like a dumb person. Every single time.*

10. My 'noisy' neighbor and my 'hyper' friend, Sandra. You will understand why I describe her like that when you become a close friend to her. Kak San, you never stop to astonish me with childish yet grown-up lady behavior of yours. Stay the same, kak!
11. My fuss yet kind hearted friends, Via, Al, Za, Tiara, Icha, Lena, Yani, and Bella. Even in this age we still like teenagers; too much talked, too much laughs, too much jokes, too much inside-insults that only us understand what is going on every time we are together. It is always exciting to meet up with all of you, guys.
12. My thesis advisor, Mr. Sigit Handoyo, SE., M.Bus. Thank you for your all advices, sir. This thesis is complete with your understanding to my topic even when myself sometimes in a blank state of mind for what should I do with this thesis. My highest respect always for you, sir.
13. My language advisor, Ms. Ruli Hapsari, S.Pd, MA. Thank you for your understanding and helps to my sentences in this thesis so it becomes more sense and straight forward. I am sorry to keep bothering you even in your packed schedule. My best prays always for you, ma'am.

May Allah SWT give reward for every little thing that everyone gives to me with a better one.
I do not have good words for all of you but I have my best prays for every person that I know.
