EAST KALIMANTAN*

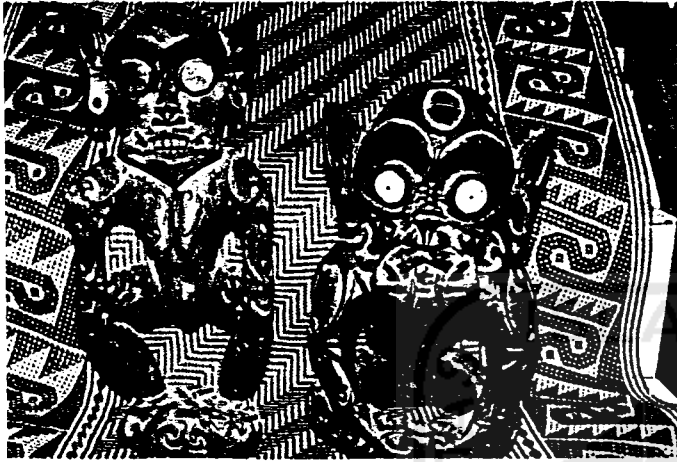

HANDICRAFTS FOR SOUVENIRS.

These handicrafts are made to fulfil the demand of visitors for souvenirs, therefore, some handicraftmen specialize in making handicrafts for souvenirs. They are like : Ulap Doyo mat to be hung on the wall, statues, key-chains, mini boxes etc.

The handicraft-people can be found at Samarinda, Balikpapan, Tenggarong, Pampang and Tanjung Isuy.

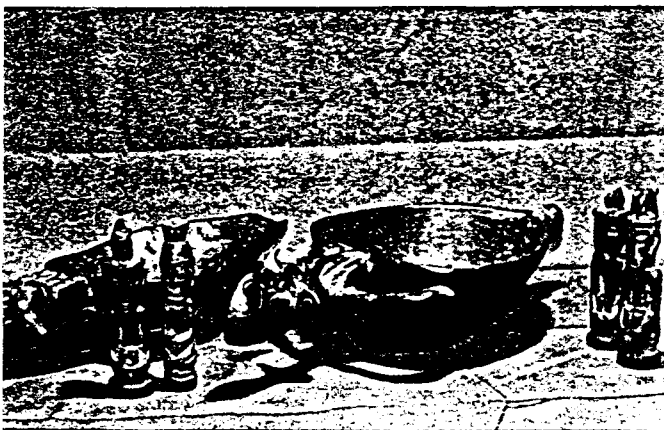

The Industry Development and Controlling Project
Fiscal Year 1993 - 1994

STATUE AND CARVING HANDICRAFT

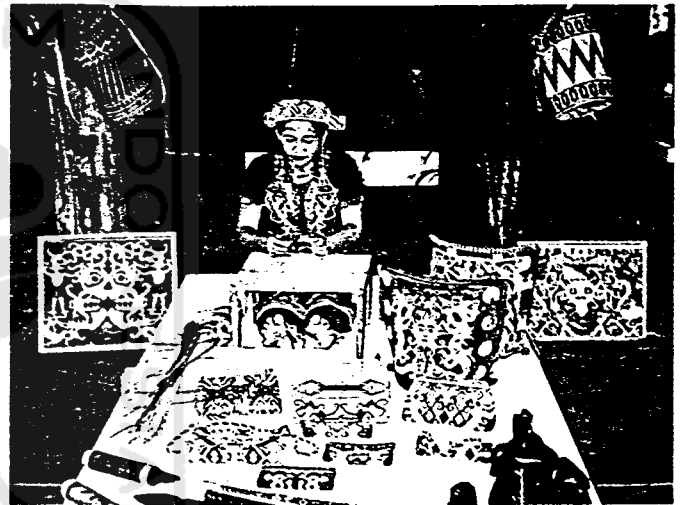

Carving has been the Dayak people's activity since the old time. The carved equipments were made for war or hunting. Those were like "Mandau" (sword), shield, blow-pipe etc. The house-ware carved are like wooden plates and bench, knives etc. For ceremony provisions the make statues, masks (Hudoq) carving on board etc.

The carvers can be found at Samarinda, Tenggarong, and villages up stream.

The centers of the handicrafts are in :

- Sabintulung Purun woven handicraft.
- Penawai, Rattan woven handicraft.
- Barong Tongkok Melak and Bentian Rattan mats.
- Long Bawan, Bamboo handicraft and "Pandan" leaves handicraft.
- Tanjung Redeb, Pandan leaves handicraft.

BEAD HANDICRAFT

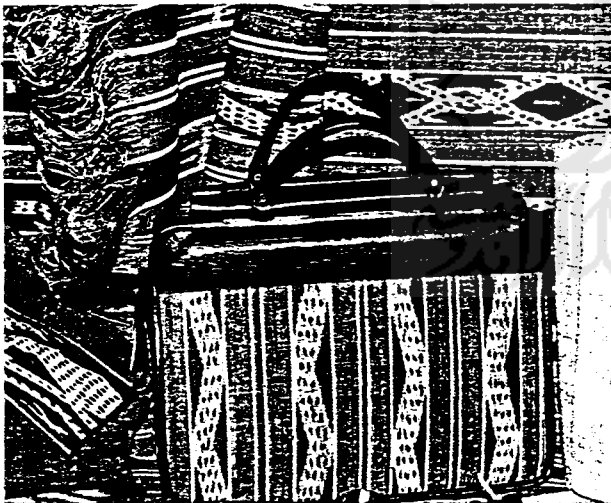

Since a long time ago, beads have been very precious to Dayak people. They have skills in combining colors and stringing the beads. Different kinds of accessories as well as the ceremony outfits are made of beads. Different articles made of beads are like : woman blouse and sarung, wallet, hand-bags, necklace, pencil cover, table cloth etc.

Beads stringers are available in Samarinda, Tenggarong, and some villages up-stream.

AMPIEK FABRIC

Ampiek material, having typical Dayak motives is very attractive. Its designs and material keep up with up-to-date fashion. This fabric is available in Samarinda, Tenggarong, Balikpapan and Tanjung Redeb.

ULAP DOYO HANDICRAFT

Handicraft made of Ulap Doyo with different kinds of typical Dayak motives are very much liked for Souvenirs. The centers of Ulap Doyo handicrafts are in : Jempang sub-district, Tanjung Isuy, Tanjung Jaan, Perigiq, Mancong and Damai sub-district, Muara Besiq Keyai.

SAMARINDA WOVEN TEXTILE

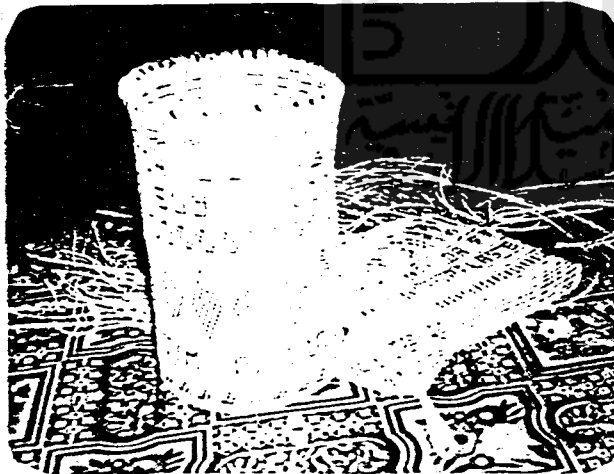

This silk woven textile has been well-known since a long time ago. The typical characteristics of this Sarung are its color, motive, cotton type and its quality. Clothes made out of this textile are like : Man Sarung, Woman Sarung, table cloths, man shirts and woman dresses. The centers of this Sarung are in :

- Accross Samarinda
- Tanjung Jone and Pulau Lanting (Kutai Regency).

WOVEN HANDICRAFTS

Woven ware was used for daily activities, but now people in some regions make money by making woven handicraft. The raw materials used are like Bamboo, Rattan, "Jangang" (a kind of fern), and Purun. The handicraft produced are like : Rugs, mats, hats, containers and other.
