Preface

Praises and thank to the Almighty God, Allah SWT, due to His bless, we can enjoy living on this earth. Thanks to my family in Indonesia, they are the one who keep guiding and supporting me so I can be what I am today. Thanks to my girlfriend, Fella Vanesa Fioretha, who supports me and helps me whenever I need it. Thanks to Indonesian Student Association of Deventer, you guys helped me settled in Deventer and made this city felt like home. Special thanks to Mr. Stefan Schenke who helped me a lot during the process of writing this research, without your guidance, patience and supports, this research will never be finished.
